

Seçil Connector Seal (Patented)

SEÇİL[®]
KAUÇUK

“Secil Connector Seal” is a rubber seal for flexible connection of pipes to manholes and laterals to pipelines. It can be used with both prefabricated and drilled holes and all kinds of pipes, including SWP (Structural wall pipe).

 Secil Connector Seal is applicated into place as shown below

Material

- **Synthetic rubber EPDM** is our main strength.
- Hardness 40 + 5 and 70 + 5 [Coextruded]
In all cases, we use compound from our own mixing facilities.
- Approved accordance with EN 681-1
- EPDM is the most popular material protected against ozone and high chemical resistance.

Seal Packing & Marking

- Different packing possibilities prepared on our customer needs.
- Secil seals are marked with seal dimension and the date of manufacture
- The box is labelled with the corresponding data.

➔ Different hardness values for comfort and functionality

DN	Profile Type	hj	b
≥160mm	Secil New Connector	20 mm	51 mm

Standart Connector

DN	Profile Type	hj	b
110mm	Standart Connector [Moulded]	20 mm	50 mm
≥160mm	Standart Connector	20 mm	50 mm

Company

Seal Quality & Performance

SECIL's highly automated factory in Turkey and Belarus produce thousands of different seals every year, with a high level of quality management for different sectors. We have know-how regarding rubber mixing, moulding, machinery, rubber extrusion, and injection. Experience on different production processes like covered seals, mono, co-ex, tri-ex, with cord, metal insert or many others.

SECIL quality controls from incoming raw materials to finished products are made by specialists independent of the production process of Secil. Tests are also made by third part controlling company upon demand. This double quality control guarantees a constant quality of all SECIL products.

CERTIFICATIONS

SEÇİL KAUÇUK is extensively involved with standardization committees and collaboration with leading testing institutes and authorities around the world.

SEÇİL KAUÇUK is also a customer-driven company. If customers require certificates that demonstrate compliance with various standards SEÇİL KAUÇUK will apply for the certification process at the competent institutions.
